

Transport Access Program

Narara Station Upgrade

Project update

February 2021

Artist's impression of the Narara Station Upgrade, subject to detailed design.

Construction on the Narara Station upgrade is progressing well with piling and construction of the lift shafts and tree removal underway during January.

Upcoming work

Work will continue in February and includes:

- utility investigations and site surveying work
- installation of hoarding around the lift shaft locations
- lift shaft construction and installation work
- piling and earthworks for construction of the new pedestrian ramp from Narara Valley Drive.

Equipment to be used includes surveying equipment, vacuum trucks, elevated working platforms, excavators, cranes, semi-trailers, piling rig, scaffolding, wood chippers, light vehicles and hand tools.

Weekend work – 13 to 14 and 27 to 28 February 2021

Weekend work will be carried out from **6am Saturday 13 February to 6pm Sunday 14 February 2021** and, **6am Saturday 27 February to 6pm Sunday 28 February 2021**. The work will include installation of the lift shafts and construction of the new pedestrian ramp from Narara Valley Drive.

Equipment to be used includes excavators, elevated working platforms, cranes, semi-trailers, scaffolding and hand tools.

Wherever possible, measures to reduce noise will be implemented including turning equipment off when not in use, positioning equipment as far away from residences as possible, monitoring noise, using non-tonal reversing beepers and stopping work for respite periods.

Temporary changes to commuter car parking

During February, up to seven car parking spaces will be temporarily unavailable in Narara Valley Drive Commuter Car Park and Goonak Parade Commuter Car Park during lift shaft and ramp construction work.

Both commuter car parks will be temporarily closed from **6am Saturday 13 February to 6pm Sunday 14 February 2021** and **6am Saturday 27 February to 6pm Sunday 28 February 2021**, for the safety of customers and workers while construction activities are underway.

Traffic control will be in place to assist road users and pedestrians. Please see the map below for more information.
