

Transport Access Program

Narara Station Upgrade

Project update

July 2021

Artist's impression of the Narara Station Upgrade, subject to change during detailed design.

Construction on the Narara Station upgrade is progressing well with lift shaft fit out and Narara Valley Drive ramp construction underway in June.

Upcoming work

Construction activities in July includes:

- utility investigations and site surveying work
- construction of the new pedestrian ramp from Narara Valley Drive to the station entrance, including earthworks and concrete work
- regrading, concrete work and asphaltting of the Goonak Parade station entrance
- installation of hearing loops on the station platforms
- modifications to Platform 1 waiting area to provide accessibility
- relocation and installation of underground and above ground services
- upgrades to footbridge including handrails, screens, stair nosings and installation of tactiles

Equipment to be used includes surveying equipment, vacuum trucks, elevated working platforms, excavators, cranes, semi-trailers, concrete pumps, piling rig, scaffolding, light vehicles and hand tools.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/narara

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Pedestrian detour map – until late August 2021

Temporary access changes and bus stop relocation

Numerous access changes continue to be in place on Narara Valley Drive and Goonak Parade until **late August 2021**.

Additional changes in July include:

- a temporary access ramp will be installed in the Narara Valley Drive commuter car park to access Platform 2 whilst the station entrance is temporary closed.

Signage and barriers will be in place to assist road users and pedestrians during this time.

Construction hours

Standard construction hours are now **7am to 6pm every day**. This is to facilitate social distancing on construction sites and support the health and wellbeing of workers.

For the safety of staff, customers and the community, some work will be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keep in touch

Transport for NSW is committed to keep the community informed throughout the delivery of the project via newsletters, advertisements and signage. You can stay informed via the project website transport.nsw.gov.au/narara.

For further information on the project or to receive project updates via email, please call the Project Infoline on **1800 684 490** or email projects@transport.nsw.gov.au. For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
