

Commuter Car Park Program

West Ryde Station

Project update

October 2021

Construction progress on West Ryde Commuter Car Park, September 2021

Transport for NSW is delivering approximately 100 additional commuter car parking spaces along Ryedale Road at West Ryde Station, to provide the community with more convenient access to public transport and reduce congestion on our roads. The car park is expected to be completed and open to the community before the end of 2021.

Construction update

In September, we have:

- completed the asphating, line marking, and installed bollard wheel stops
- completed landscaping
- installed new overhead power connection
- continued installing the kiss and ride drop off area south of the station.

Upcoming work

In October, the following activities will take place:

- finalise the installation of the kiss and ride drop off area
- installing the park and ride equipment and boom gates
- installation new CCTV system
- testing the new electrical systems at the station.

Equipment to be used during the work in October include hand tools and minor concrete placement tools.

City of Ryde works along Ryedale Road

City of Ryde Council is doing work along Ryedale Road as part of the Ryedale Road Town Centre Upgrade project and have engaged Ferrycarrig to deliver the project on their behalf.

Work includes demolition and construction of new kerb and gutters, new light poles and installation of new underground electrical and stormwater service lines. This work is scheduled between 7:00am and 6:00pm for the next few weeks. For any questions regarding this work please contact Ferrycarrig on 1300 215 191 or email info@ferrycarrig.com.au
