

Transport Access Program

Wollstonecraft Station Upgrade

Project update

December 2021

Transport for NSW is upgrading Wollstonecraft Station as part of the Transport Access Program (TAP) to make it easier for everyone to access, including people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Upcoming work

Work at Wollstonecraft Station will continue in December and will include:

- installing new handrails
- landscaping
- minor touch-up work.

To complete this work, construction staff will require the use of equipment including trucks and powered hand tools.

Refurbished station toilets

We are pleased to advise that following their refurbishment, one family accessible toilet and two ambulant toilets will be open on Platform 1 from mid December. We would like to thank the community for your patience while this part of the station upgrade was completed.

Temporary pedestrian access changes during December

Pedestrian detours impacting the access to Platform 2 from Shirley Road are planned for December. Signage will be in place to direct customers to pedestrian detours.

From **5am Monday 6 December to 6pm Friday 17 December**, the entrance to Platform 2 from Shirley Road will be temporarily closed. Access to businesses on the platform will be maintained. Access to Platform 2 will be available via Milray Avenue and the pedestrian underpass.

Customers will be required to follow pedestrian detour routes. Traffic control and signage will be in place to assist pedestrians while these changes are in place.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/wollstonecraft

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**.

PLATFORM NUMBER	
NO PEDESTRIAN ACCESS 6 DECEMBER TO 17 DECEMBER	

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**. For the safety of staff, rail customers and the community, some work will be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

Keep in touch

We will continue to keep the community informed with regular project notifications and updates on the project website www.transport.nsw.gov.au/wollstonecraft.

If you would like to be added to the project distribution list, or for more information on the Wollstonecraft Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For urgent enquiries or complaints regarding construction activities, please call our 24 -hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **(02) 9200 0200**. The interpreter will then assist you with translation.
