

Transport Access Program

Wollstonecraft Station Upgrade

Project update

March 2021

Artist's impression of Wollstonecraft Station Upgrade, subject to detailed design.

Transport for NSW is upgrading Wollstonecraft Station to make it easier for everyone to access, including people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Upcoming work

Work will continue in March and includes:

- electrical upgrades on Platform 1
- delivering materials and removing spoil
- demolition and construction of a new station waiting room on Platform 1
- bridge and lift landing work on the eastern entrance to Platform 1
- excavation of trenches for new electrical services along the walkways and platform
- temporary closure of the northern entrance to Platform 1, the underpass and Shirley Lane for drainage work (shop access will be maintained at all times)
- toilet refurbishment (one unisex toilet will remain open)
- delivery of structural steel and reinforcement

Equipment to be used includes excavators, trucks, demolition saws, grinders, hydraulic hammers, cranes, rattle guns, plumbing tools, scaffolding, demolition tools, pallet jacks, dump trucks and hand tools.

Temporary changes to the station toilets

Work is in progress to refurbish the existing toilets at Wollstonecraft Station to provide one family accessible toilet and two ambulant toilets.

While work is carried out to enable the refurbishments, one toilet will be closed and one toilet will be converted to a unisex toilet for all customers to use. Signage is in place to direct customers to the unisex toilet.

Temporary pedestrian access, parking and road changes in March

From **7am Tuesday 2 March** to **5pm Friday 26 March 2021**, the northern entrance to **Platform 1** from Shirley Lane and the underpass will be temporarily closed to enable drainage work to be carried out along Platform 1. Access to Platform 1 will be via a detour on Shirley Road.

During this time, the northern footpath and the eastbound lane on Shirley Road Bridge between Telopea Street and Milner Crescent will be closed intermittently. Traffic control and signage will be in place to assist pedestrians and motorists while these changes are in place.

Five parking spaces will be temporarily closed on Shirley Road between Wollstonecraft Station and Milner Crescent to enable construction vehicles access to the site. Vehicle and pedestrian access to 50 Shirley Road will be maintained at all times.

Please see map overleaf for more information.

Weekend work in March

For the safety of our workers, pedestrians and motorists, work will take place from **10pm Friday 19 March** to **5am Monday 22 March 2021**.

Some of this work will take place in the rail corridor and needs to be carried out during a scheduled Sydney Trains track work period when trains aren't running.

Work will include:

- regrading work on Platforms 1 and 2
- drainage work around the lift shaft on Platform 1
- demolition and concreting at the Platform 1 waiting room
- delivery of structural steel for the western entry ramp, lift 2 and Platform 2 canopy
- start of installation of the western entry ramp
- delivery and installation of an electrical cabinet near the entry to Platform 1 off Shirley Road
- installing a service pole on Shirley Road.

Equipment to be used includes excavators, elevated work platform, cranes, demolition and wall saws, concrete trucks and pumps, dump trucks, demolition hammers, rollers, lighting towers, concrete vibrators, rock breakers and hand tools.

This work will be noisy at times. Wherever possible, measures to reduce noise will be implemented including scheduling noisy work during daytime hours, turning off vehicles and equipment when not in use, monitoring noise, using non-tonal reversing beepers and acoustic barriers.

We apologise for the inconvenience and thank you for your patience during this important work.

Please visit www.transportnsw.info or call **131 500** for up to date information regarding service updates and replacement buses during this time.

There will be temporary changes to traffic, parking and pedestrian movements around the station while weekend work is carried out.

The **traffic changes** will include:

- From 10pm Friday 19 March to 12am Monday 22 March, the bus stop on Milner Crescent near Shirley Lane will be relocated 20m south towards Shirley Road.
- A concrete truck will be parked on Milner Crescent in front of Shirley Lane. Traffic control will be in place to assist motorists. Pedestrian access for residents along Milner Crescent will be maintained.

The **pedestrian changes** will include:

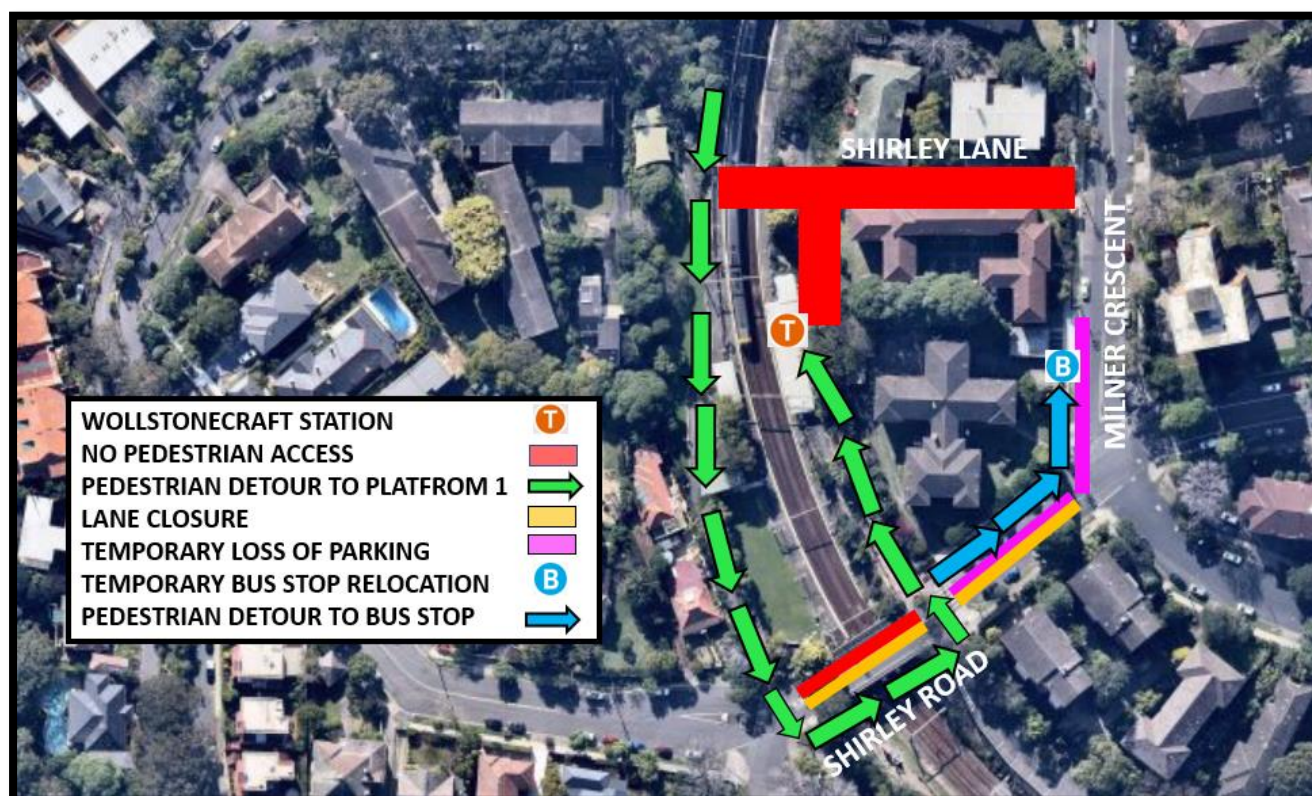

- Pedestrian access to the station will be closed from the underpass and from Shirley Lane at Milner Crescent. Shirley Lane will be closed; however safe access for residents will be maintained at all times.

The **parking changes** will include:

- Two parking spaces on Milner Crescent will be temporarily closed to allow for the temporary bus stop.

Please allow extra travel time and follow the instructions of traffic control staff and signage while this work is carried out. Please see the maps overleaf outlining these impacts and detours.

Location Map

Wollstonecraft Station access changes, March 2021

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.

For the safety of staff, rail customers and the community, some work will be completed outside standard construction hours. Nearby residents and businesses will be notified before any work outside these hours takes place.

Keep in touch

We will continue to keep the community informed with regular project notifications and updates on the project website www.transport.nsw.gov.au/wollstonecraft.

If you would like to be added to the project distribution list, or for more information on the Wollstonecraft Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For urgent enquiries or complaints regarding construction activities, please call our 24 -hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
