

Transport Access Program

Wollstonecraft Station Upgrade

Project Update

May 2021

Artist's impression of Wollstonecraft Station Upgrade

Upcoming work

Work will continue in May and includes:

- electrical upgrades on Platform 1
- delivering materials and removing spoil
- constructing a new station waiting room on Platform 1
- bridge, lift landing and cladding work on the eastern entrance to Platform 1
- excavating trenches for new electrical services along the walkways and platform, and in the grass area near the entry to Platform 2
- toilet refurbishment (one unisex toilet on Platform 1 will remain open)
- installing lift shaft and boarding assistance zone canopy on Platform 2
- bridge deck on the western entrance to Platform 2.

Equipment to be used includes excavators, trucks, demolition saws, grinders, hydraulic hammers, cranes, rattle guns, plumbing tools, scaffolding, demolition tools, pallet jacks, dump trucks and hand tools.

For more information call **1800 684 490**,

Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/wollstonecraft

For urgent enquiries or complaints regarding construction activities, please call 24 hours 1800 775 465.

Temporary pedestrian access changes during May

From **7am Monday 10 May to 6pm Thursday 13 May**, the entrance to Platform 1 from Shirley Road will be temporarily closed. This closure will enable the safe installation of the structural steel for the lift on Platform 1.

During this time, Sydney Trains will also be doing work on the retaining wall near the Platform 2 entry.

To access the station platforms, customers and pedestrians will be required to follow the detour route shown in the map below. **Access to the station shops will be maintained at all times.**

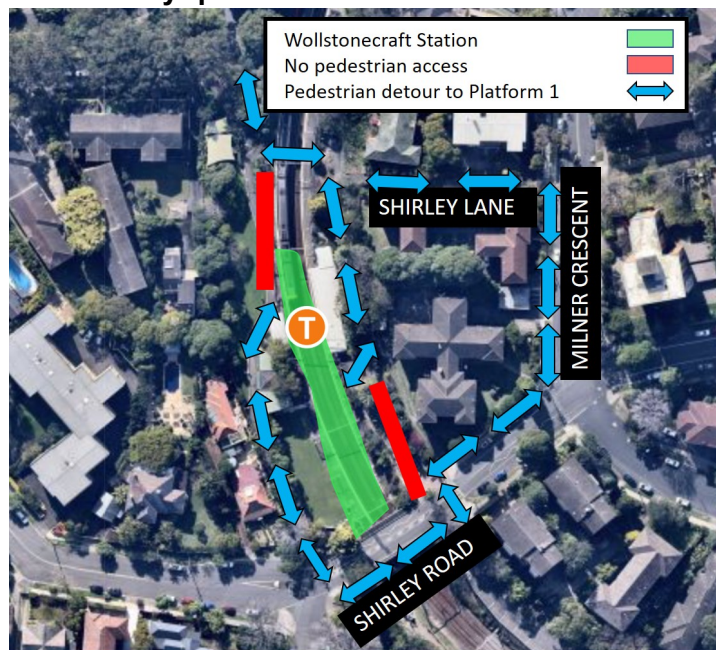

From **7am Monday 24 May to 5pm Friday 28 May**, the entrance to Platform 2 from Shirley Road will be temporarily closed. This closure will enable the excavation of trenches for new electrical services along the walkway.

Rail customers and pedestrians will be required to follow the detour route shown in the map below.

Traffic control and signage will be in place to assist pedestrians while these changes are in place. **Access to the station shops will be maintained at all times.**

Please see map below for detour routes.

10 – 13 May: pedestrian detour

24 – 28 May: pedestrian detour

Sydney Trains station maintenance work

During May 2021, Sydney Trains will be doing work on the retaining wall near the Platform 2 entry. During this time, part of the pedestrian footpath may be closed with diversions in place. Traffic control and signage will be in place to assist pedestrians during this work.

Temporary changes to the station toilets

Work is in progress to refurbish the existing toilets at Wollstonecraft Station to provide one family accessible toilet and two ambulant toilets.

While work is carried out to enable the refurbishments, one toilet will be closed and one toilet will be converted to a unisex toilet for all customers to use. Signage is in place to direct customers to the unisex toilet.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**. For the safety of staff, customers and the community, some work will be completed outside standard construction hours. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keep in touch

We will continue to keep the community informed with project notifications published to the project website www.transport.nsw.gov.au/wollstonecraft.

If you would like to be added to the project distribution list, or for more information about the Wollstonecraft Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
