

# Transport Access Program

## Yagoona Station Upgrade

Project update

September 2021

Construction activities on the Yagoona Station Upgrade recommenced from 16 August 2021, in line with restrictions introduced by the NSW Government to help keep our communities safe.

Should these restrictions change based on advice by the NSW Government, which may impact the timing of our work, the community will be notified. We encourage you to subscribe to our project email distribution for the latest information, by calling us on 1800 684 490 or emailing [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

The safety and wellbeing of our workforce and the wider community is our highest priority. These works are in line with the current Public Health Orders and a COVID-19 Safe plan is in place, including masks and QR codes.

For more information call **1800 684 490**,  
Email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or visit [transport.nsw.gov.au/yagoona](https://transport.nsw.gov.au/yagoona)  
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

## Upcoming work

Work on the Yagoona Station Upgrade will continue in September 2021. Activities will include:

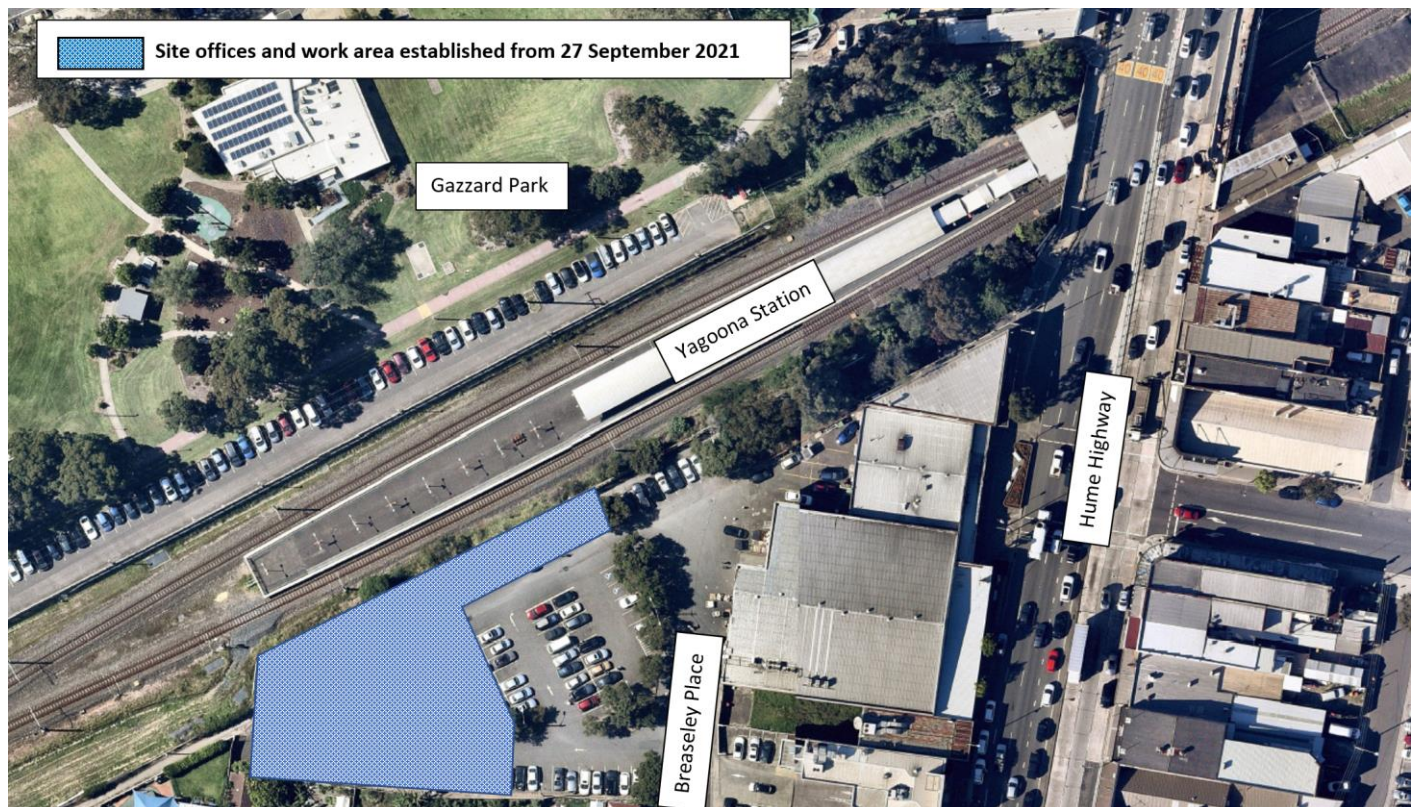

- site survey and investigations
- installation and relocation of electrical, communication and CCTV services in and around the station
- installation of electrical and water services on the platform
- concreting work within the station
- establishing a site compound in the car park adjacent to the rail corridor off Breasley Place
- releveling of the embankment on the eastern side of the station
- vegetation removal
- fit out of a temporary site office in an existing building on the Hume Highway.

Equipment to be used includes surveying equipment, mobile crane, piling rigs, hi-rail vehicles, compactors, excavators, trucks, concrete pumps, rollers, power and hand tools.

## Parking changes

From **Monday 27 September 2021**, a section of the Breasley Place car park will be closed to establish site offices and a work area. The work area will be used to preassemble the new station platform and prefabricate structural steel for the station upgrade.

This area is expected to remain in place until the end of the year. Please refer to map below.

## Night work

**Work will be carried out at night on the following dates in September 2021:**

- 10pm Wednesday 1 September to 4.30am Thursday 2 September 2021
- 10pm Thursday 2 September to 4.30am Friday 3 September 2021
- 11pm Tuesday 21 September to 7am Wednesday 22 September 2021
- 11pm Wednesday 22 September 2021 to 7am Thursday 23 September 2021
- 11pm Thursday 23 September 2021 to 7am Friday 24 September 2021

Work will include concreting on and around the station platform, excavation works, installation of ballast on the access track and relocation of services. Equipment to be used includes a piling rig, excavators, trucks, power and hand tools.

## Construction hours

**Standard construction hours are from 7am to 6pm every day**, including public holidays.

We understand extending construction hours to include weekends and public holidays may cause disruption, with all efforts made to minimise impacts where possible and ensure strict environmental conditions relating to noise, vibration and dust management are adhered to.

Where weekend and night work is required, measures will be implemented to minimise the disturbance wherever possible, such as turning off vehicles when not in use, positioning construction equipment as far away from residential areas as possible, using non-tonal reversing beepers, and monitoring noise levels.

## Keep in touch

We will continue to keep the community informed with regular project notifications and frequent updates published to the project website [transport.nsw.gov.au/yagoona](https://transport.nsw.gov.au/yagoona).

If you would like to be added to the project distribution list or for more information, please contact [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or call the Project Infoline on **1800 684 490**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
