

# Transport Access Program

## East Hills Station Upgrade

Project update

October 2021

Work is continuing at the East Hills Station and the safety and wellbeing of our workforce and the wider community is our highest priority. These works are in line with the current Public Health Orders and a COVID-19 Safe plan is in place, including masks and QR codes.

Should these restrictions change based on advice by the NSW Government, which may impact the timing of our work, the community will be notified. We encourage you to subscribe to our project email distribution for the latest information, by calling us on 1800 684 490 or emailing [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).

## Upcoming work

Construction on the East Hills Station Upgrade is progressing well with the upgrade of footpaths and addition of a new family accessible toilet starting in September. Activities continuing in October include:

- installation of electrical and water services at the station
- continued work for the new lifts, including installation of scaffolding, form work and concreting
- demolition and service relocation for the new family accessible toilet
- footpath upgrades.

Equipment to be used includes surveying equipment, mobile crane, excavators, bobcats, trucks, concrete pumps, power tools and hand tools.

## Footpath upgrades

Work will continue to upgrade the footpath in front of the station on Park Road and the footpath next to the station between Thompson Lane and MacLaurin Avenue.

Work this month will include the removal of the existing footpath and demolition work.

To ensure work can be carried out safely, **the footpath between Thompson Lane and MacLaurin Avenue will be temporarily closed until the end of the year**. Please use alternative access via MacLaurin Avenue or Thompson Lane during this time.

## Parking and access changes

To ensure a safe working area during upgrades to the footpath and forecourt area on Park Road, the following temporary changes to parking and access will be in place.

Timing	Parking and access changes
Stage 1 - Current	<ul style="list-style-type: none"> <li>13 parking spaces will remain closed in the Park Road car park</li> <li>two accessible parking spaces in the car park will be maintained</li> <li>temporary closure of one ramp at Park Road entrance (second ramp available at all times)</li> </ul>
Stage 2 - From mid-October 2021	<ul style="list-style-type: none"> <li>temporary relocation of the bus stop on Park Road for approximately 3 weeks</li> <li>temporary closure of the footpath next to Park Road</li> </ul>
Stage 3 - From late October/early November 2021	<ul style="list-style-type: none"> <li>temporary removal of one parking space on Park Road and relocation of the taxi zone for approximately 3 weeks</li> </ul>

Pedestrian controls will be in place as required and access to the station will be maintained. Traffic controllers will also be in place to help direct pedestrians during the temporary closure of the footpath on Park Road.

### Stage 1 - Current

-  Work area
-  Bus stop
-  Taxi zone

### Stage 2 – From mid-October 2021

-  Work area
-  Bus stop closed
-  Bus stop
-  Taxi zone

-  Work area
-  Bus stop
-  Taxi zone

## Construction hours

**Standard construction hours** are from 7am to 6pm every day, including public holidays. We understand extending construction hours to include weekends and public holidays may cause disruption, with all efforts made to minimise impacts where possible and ensure strict environmental conditions relating to noise, vibration and dust management are adhered to. We will notify nearby residents and businesses in advance if we need to work outside these times.

## Keep in touch

We will continue to keep the community informed with regular project updates. Further information is available on the project website [transport.nsw.gov.au/easthills](https://transport.nsw.gov.au/easthills). If you would like to be added to the project distribution list, or for more information on the East Hills Station Upgrade, please contact us on **1800 684 490** or email [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au). For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.
