### How this affects you

#### Noise

- These works may create additional noise at night.
- **Work will take place around the clock from 11.30pm Friday 30 July until 3am Monday 2 August.**
- Equipment may be delivered to the worksite outside the above. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

#### Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.
