- Working on Platforms 16-23, the Eastern Suburbs Railway Concourse and the upper and lower Northern Concourse
- Installing services throughout the station
- Excavating and constructing concrete slabs for the metro platforms (underground former Platforms 13, 14-15).

Sydney Trains is working on:

- Civil track maintenance
- Routine and corrective maintenance
- Signal and electrical maintenance
- Track defect removal works at various locations.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 2am Saturday 27 February until 2am Monday 1 March.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
