Sydenham Station Track Maintenance

From Saturday 6 March to Monday 8 March

What we're doing

Sydney Trains is undertaking track maintenance at Sydenham Station from Saturday 6 March to Monday 8 March.

To improve service reliability and reduce the need for on-going maintenance, we're undertaking track reconditioning and rerailling works.

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 2am Saturday 6 March until 2am Monday 8 March.**
- Diesel work trains will be kept on site and may be idling for extended periods.
- Equipment may be delivered to the worksite outside the above times.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles and plant will access the rail corridor via Bolton St, Sydenham.
- Traffic controllers will be on duty throughout the duration of the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
