## Lidcombe to Sefton track maintenance

From Friday 19 March to Monday 22 March

### What we're doing

Sydney Trains is undertaking maintenance between Lidcombe and Sefton from Friday 19 March to Monday 22 March.

To improve service reliability, we're working on:

- civil track maintenance
- plain track resurfacing
- rail and turnout grinding
- routine signal and electrical maintenance
- station maintenance works at Berala, Regents Park and Sefton
- track defect removal works at various locations
- turnout resurfacing at Sefton Park Junction
- litter and graffiti removal
- vegetation maintenance.

We understand this work may have an impact on you and we appreciate your patience and understanding.

### How this affects you

#### Noise

- These works may create additional noise at night and over the weekend.
- **Work will take place around the clock from 10.30pm Friday 19 March until 2am Monday 22 March.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

#### Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
