

Sydney Trains

Thornleigh to West Ryde track maintenance

From Monday 19 July to Wednesday 21 July

What we're doing

Sydney Trains is undertaking maintenance between Thornleigh and West Ryde from Monday 19 July to Wednesday 21 July.

To improve service reliability, we're working on:

- civil track maintenance
- plain track resurfacing
- rail grinding at various locations
- routine signal and electrical maintenance
- track inspection and preventative maintenance

We understand this work may have an impact on you and we appreciate your patience and understanding.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place nightly between 10pm and 4am from Monday 19 July to Wednesday 21 July.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
