

Transport Access Program

Clarendon Station Upgrade

Community notification

January 2022

Key features of the proposed Clarendon Station Upgrade, subject to change during detailed design

The NSW Government is improving accessibility at Clarendon Station

As part of the NSW Government's Transport Access Program, Clarendon Station will be upgraded to provide an accessible station for people with a disability, limited mobility, parents/carers with prams and customers with luggage.

Work to improve accessibility and safety for all customers at Clarendon station is one step closer, with Aresco awarded the contract to carry out the upgrade.

The Transport Access Program is a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure.

For more information call **1800 684 490**,
Email projects@transport.nsw.gov.au or visit transport.nsw.gov.au/clarendon-station-upgrade
For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Key features of the upgrade will include:

- upgrades to pedestrian level crossing including fencing modification
- new accessible parking spaces and pedestrian crossing
- upgrades to station footpaths, ramps and platforms, including new tactiles
- new canopy and seating with widened platform at the Boarding Assistance Zones
- accessibility upgrades to existing waiting areas
- reconfiguration of the existing toilet building on Platform 1 to provide a new family accessible toilet and an upgraded ambulant toilet
- new bicycle hoops
- improvements to CCTV, lighting, and wayfinding.

The project is expected to be completed in early 2023.

Project status

To help inform the design for the upgrade, site investigations will take place in and around the station precinct from **Monday 17 January 2022 to March 2022**.

Investigations will include location of underground services, geotechnical investigations and surveys of the platform, station buildings and surrounding areas.

The work will take place during standard construction hours, **7am to 6pm Mondays to Fridays and Saturdays 8am to 1pm**.

Keep in touch

We will keep the community informed with regular project updates.

Further information is available on the project website www.transport.nsw.gov.au/clarendon-station-upgrade

If you would like to be added to the project distribution list, or for more information on the Clarendon Station Upgrade, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au

For all urgent enquiries or complaints regarding construction activities, please call our 24-hour Construction Response Line on **1800 775 465**.

This document contains important information about public transport projects in your area. If you require the services of an interpreter, please contact the Translating and Interpreting Service on **131 450** and ask them to call Transport for NSW on **1800 684 490**. The interpreter will then assist you with translation.
