# Como Commuter Car Park

## Project commencement

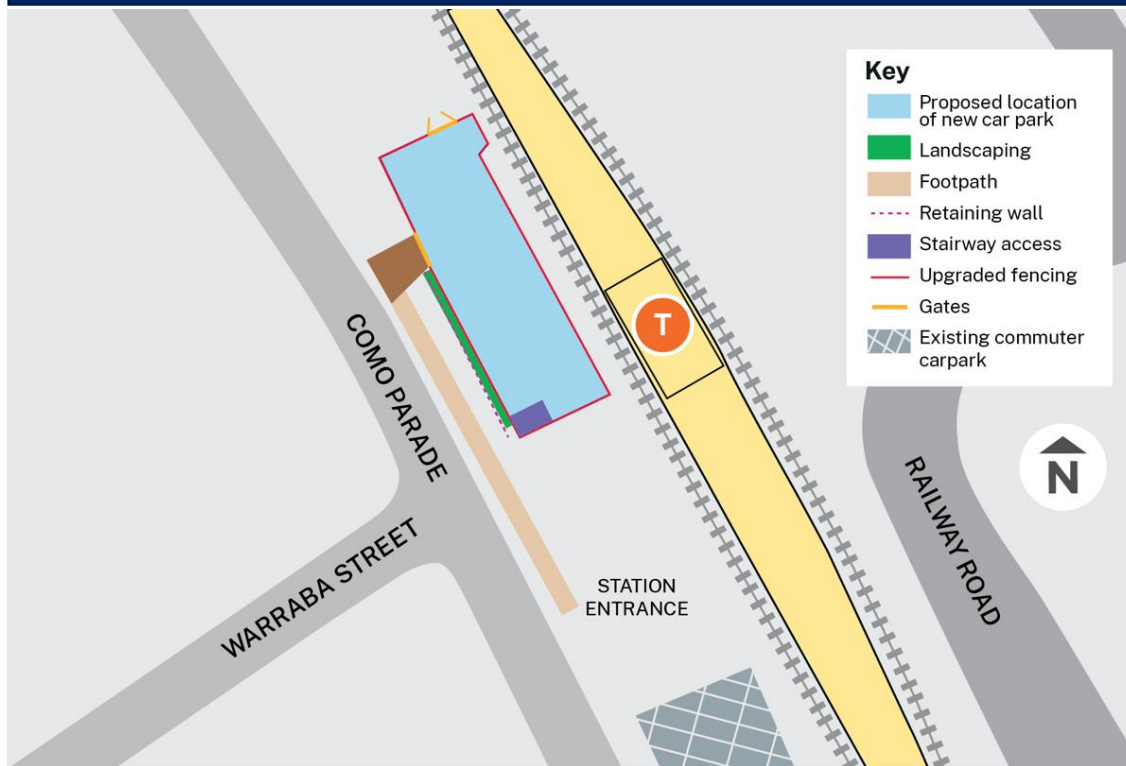

*Indicative artist's impression of the proposed Como Commuter Car Park, subject to detailed design*

Planning is underway to deliver a new commuter car park at Como station. Up to 34 new parking spaces will be provided to create more convenient access to public transport and help ease congestion on our roads.

Key features of this project include:

- A new ground level car park providing up to 34 parking spaces
- New footpath from the car park connecting to the existing train station entrance
- Lighting, wayfinding signage and fencing to the car park
- Landscaping within the car park

## Key features of the proposed Como Commuter Car Park

## Project timeline and next steps

The concept design is available for viewing on the project website at [www.transport.nsw.gov.au/como-commuter-car-park](http://www.transport.nsw.gov.au/como-commuter-car-park). We encourage the community to provide any feedback before Friday 4 November 2022.

Subject to planning approval, detailed design will be undertaken and construction is expected to commence in 2023.

We will continue to keep you informed as the project progresses. All of our notifications and frequent updates will be on the project website for download and viewing at any time.
