

Commuter Car Park Program: Edmondson Park North

Community Notification - September 2022

Construction progress on the Edmondson Park North Commuter Car Park.

Project Update

Foundation work for the new Edmondson Park North Commuter Car Park continued to progress during August, with piling and excavation work for the future stairs and lifts taking place.

Upcoming work

During September the following work will occur on the new multi-storey commuter car park:

- continuation of the foundation work including piling
- concreting work for lift and stair base footings
- delivery and installation of two tower cranes to assist with ongoing material handling

Equipment to be used will include piling rigs, excavators, rollers, road saws, graders, tipping trucks, concrete mixers, concrete pump trucks, service vehicles, various delivery vehicles, mobile cranes, tower cranes, forklifts, generators, and hand tools.

Construction hours

Standard work hours are between 7am to 6pm Monday to Friday and 8am to 1pm Saturday. Deliveries will be scheduled outside of peak times wherever possible to minimise disruption to pedestrians and motorists.

In September, the piling rigs are anticipated to be removed from site and the tower cranes will be delivered with a semi-truck and trailer outside of standard work hours due to these being an oversized load.

Keeping you up to date

More information is available on our website www.transport.nsw.gov.au/edmondsonpark. If you would like to sign up to our project distribution list, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au and we will email you regular updates.
