

Commuter Car Park Program: Edmondson Park

Community Notification - October 2022

Construction progress on the Edmondson Park North Commuter Car Park.

Project Update

Structural work for the new Edmondson Park North Commuter Car Park continued to progress during September, with the piling work completed and concreting for the future stairs and lift bases taking place.

Upcoming work

The following work activities is planned for October:

- concreting work for the lift and stair walls
- in-ground stormwater work
- ground floor slab construction

Equipment to be used will include excavators, rollers, road saws, graders, tipping trucks, concrete mixers, concrete pump trucks, service vehicles, various delivery vehicles, mobile cranes, tower cranes, forklifts, generators, and hand tools.

Edmondson Park South Commuter Car Park

Work is ongoing to resolve noise concerns during high wind conditions from the façade at the Edmondson Park South Commuter Car Park. Pending suitable weather conditions, further testing will be carried out and additional steel brackets will be installed to parts of the façade as a possible solution to reduce vibration and noise levels. Thank you for your patience while we work to resolve this issue.

Construction hours

Standard work hours are between 7am to 6pm Monday to Friday and 8am to 1pm Saturday. Deliveries will be scheduled outside of peak times wherever possible to minimise disruption to pedestrians and motorists.
