## Fairfield to Macarthur railway track maintenance

From Saturday 14 January to Monday 16 January 2023

### What we're doing

To improve service reliability, Sydney Trains will complete maintenance works between Fairfield and Macarthur from Saturday 14 January to Monday 16 January.

Sydney Trains construction and maintenance works include:

- Drainage works at Cabramatta
- Maintenance works to improve safety at train stations
- Railway track defect removal to improve network reliability
- Railway track inspection and preventative maintenance
- Railway track resurfacing
- Railway track steelworks and grinding activities
- Railway track upgrades (rerailling) at Cabramatta
- Routine engineering, signal, and electrical maintenance
- Electrical transmission line upgrade works at Casula
- Vegetation maintenance, litter, and graffiti removal.

We understand this work may have an impact on you and we appreciate your patience and understanding.

### How this affects you

#### Noise

- These works may create additional noise at night.
- **Work will take place around the clock from 2am Saturday 14 January until 2am Monday 16 January.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Final (finishing) works including the removal of equipment may take place beyond the dates stated above.

#### Traffic and Parking

- Heavy vehicles will use local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
