

Transport Access Program

Gunnedah Station Upgrade – Project completion December 2022

Gunnedah Station upgrade – Station entrance (picture is a placeholder)

Accessibility upgrade now complete

Upgraded facilities are now available to all rail users and local residents including:

- A paved forecourt area around the station building entry
- An access ramp from the platform to the waiting room
- A new accessible car space
- Formal coach parking, taxi zone and kiss and ride space
- Modified waiting room and ticket counter
- Improved amenities, including ambulant toilets
- A new family accessible toilet
- Upgraded seating along the platform
- Tactile indicators along the platform
- Improved wayfinding and lighting

Key facts

50 workers

15,000 hours worked

Finishing work

Customers may continue to see construction staff on site throughout December and January while finishing work is completed.

Work will include landscaping, temporary site compound removal and rehabilitation of the site compound area, and general cleaning of the station.

This work will be carried out during standard construction hours between **7am and 6pm from Monday to Friday, and between 8am and 1pm on Saturday.**
