

Transport for NSW

# Hornsby Commuter Car Park

## Project Update

Transport for NSW | November 2022

### What's happening in November?

Our work will include:

- line marking
- installation of lighting and asphalt
- landscaping and bollard installation
- stormwater drain and pipe installation
- minor excavation activities to remove soil, rock and other materials from site
- installation of CCTV cables, kerbs, gutters, ramps, retaining walls and electrical structure
- utility works along Peats Ferry Road including excavation, cable installation and overhead wiring modification.

### How will our work affect you?

Our work may be noisy at times. We have measures in place to reduce the impact of this noise, including turning equipment off when not in use and using non-tonal reversing beepers for trucks used on our site.

The equipment used during the work will include vacuum trucks, excavators, surveying equipment, spoil removal trucks and hand tools.

### Our work schedule

Our standard construction hours remain as **Mondays to Fridays from 7am to 6pm** and on **Saturdays from 8am to 1pm**.

### Westfield Hornsby Commuter Parking

During the busy period at Westfield in the lead up to the holiday season, the Park and Ride facility at Westfield Hornsby will be unavailable from **Thursday 1 December 2022**.

After this date, you can still park in Westfield with standard parking rates applicable.

Alternate commuter parking is available near Hornsby Train Station at:

- George Street Commuter Car Park
- High Street Commuter Car Park

### Contact Us

If you have any questions or would like more information, please contact our project team:

- 1800 684 490
