

# Killara Station Upgrade

## Community notification – September 2022

Transport for NSW is upgrading Killara Station as part of the Transport Access Program (TAP) to make it easier for everyone to access, including people with a disability or limited mobility, parents/carers with prams and customers with luggage.

*Scaffold removed from Lift 3 on Culworth Avenue revealing newly painted lift shaft walls*

Work is progressing well at the station. During August we continued internal upgrades to the station platform building, including carpentry for a new accessible public toilet and work on the station electrical and communications systems. Painting work and modifications to the new station lifts also commenced in August.

### Upcoming work in September

Construction work will continue throughout September and includes:

- ongoing work on the station building and toilets
- backfilling the excavation area for new lift on Culworth Avenue.

Equipment to be used includes excavators, concrete, delivery trucks and powered hand tools.

## Construction hours

Standard construction hours are **7am to 6pm, Monday to Friday** and **8am to 1pm, Saturdays**.

We thank you for your patience as we carry out this important work.
