

Sydney Trains

Liverpool to Macarthur track maintenance

From Friday 2 September to Monday 5 September

What we're doing

Sydney Trains is undertaking maintenance between Liverpool and Macarthur from Friday 2 September to Monday 5 September.

To improve service reliability, we're working on:

- Civil track maintenance
- Drainage works at Campbelltown
- Footbridge refurbishment at Macquarie Fields
- Overhead wiring maintenance between Ingleburn and Leumeah
- Plain track and turnout resurfacing
- Rail and turnout grinding
- Routine signal and electrical maintenance
- Station upgrade works at Macquarie Fields
- Track defect removal to improve network reliability
- Transmission line installation at Casula
- Litter and graffiti removal
- Vegetation maintenance

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place around the clock from 11pm Friday 2 September until 2am Monday 5 September.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains will be kept on site and may be idling for extended periods.
- Finishing works may take place following this period, including the removal of equipment.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- While we will park our vehicles inside the rail corridor where possible, please be aware that on-street parking may be limited near worksites.
- Traffic controllers will be on duty throughout the works to assist motorists and pedestrians.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
