

Narrabri Station Upgrade

Transport Access Program | Project Update | June 2022

Work on improving accessibility at Narrabri Station is well underway

The NSW Government is improving accessibility at Narrabri Station. This upgrade is being delivered as part of the Transport Access Program, an initiative to provide a better experience for public transport customers by delivering modern, safe and accessible infrastructure.

Works completed to date

Since construction started in December 2021, a number of activities have been completed, which include:

- Establishing the site compound
- Demolition of existing amenities, waiting room and entry stairs
- Installation of new subfloor structure and flooring to wet areas
- New internal wall frames
- Rough in services to new bathroom amenities
- Sheeting of walls
- Construction of new entry stairs and accessible compliant ramps

Upcoming work

Construction activities at the station will continue over the next two months. Work will include:

- Completion of waterproofing, tiling and fit out of amenities.
- reconstruction of the waiting room including timber floors, joinery and bench seats
- re-asphalting of the driveway and carpark
- landscaping works

Construction hours

Work will be undertaken during standard construction hours:

- Monday to Friday between 7am and 6pm
- Saturday from 8am to 1pm

Work will continue over the next two months, with the project expected to be completed by the end of July 2022, weather permitting. We will notify nearby residents and businesses in advance if additional night or weekend work is required.
