

# Commuter Car Park Program

## North Rocks Commuter Car Park

Transport for NSW | October 2022

### North Rocks Commuter Car Park is now open

Thank you to the community for their continued support, patience, and cooperation during the construction of the North Rocks Commuter Car Park. The North Rocks Commuter Car Park is now complete, and customers can use the car park and features which include:

- 135 additional commuter parking spaces
- three new accessible parking spaces
- dedicated pathways connecting to the existing footpath on the corner of Barclay Road and Perry Street
- lighting and wayfinding signage for improve safety
- provision for future electric vehicle charging spaces
- landscaping within the car park and fencing.

#### Key facts

531 workers used  
on the project

52,405  
hours worked

101 tonnes of  
structural steel used

845 cubic metres of  
concrete poured

### Community benefits

- better access to public transport
- designed to meet future travel demands
- reduced congestion on local roads.

### Finishing work

Customers may continue to see construction staff on site throughout October and November while minor finishing works such as Transport Park&Ride infrastructure (Opal operated boom gates), and other touch-up work takes place in the coming weeks.

Work will be carried out during standard construction hours Monday to Friday between 7am and 6pm and will not impact the operation of the car park, adjacent properties or roads.
