

Sydney Trains

Redfern to Lidcombe railway track maintenance

From Friday 27 January to Monday 30 January 2023

What we're doing

To improve service reliability, Sydney Trains will complete maintenance works between Redfern and Lidcombe from Friday 27 January to Monday 30 January.

Sydney Trains construction and maintenance works include:

- Maintenance works to improve safety at train stations
- Overhead electrical wiring works at Flemington Yard
- Railway track defect removal to improve network reliability
- Railway track inspection and preventative maintenance
- Railway track resurfacing
- Railway track steelworks and grinding activities
- Railway turnout refurbishment at Flemington
- Railway turnout renewal at Homebush
- Routine engineering, signal, and electrical maintenance
- Vegetation maintenance, litter, and graffiti removal.

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place around the clock from 10pm Friday 27 January until 2am Monday 30 January.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Final (finishing) works including the removal of equipment may take place beyond the dates stated above.

Traffic and Parking

- Heavy vehicles will use local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
