

Commuter Car Park Program

Riverwood

Transport for NSW | November 2022 to January 2023

Transport for NSW is delivering the Riverwood Commuter Car Park, with up to 140 parking spaces to provide you with more convenient access to public transport and help ease congestion on our roads.

What's planned?

The Riverwood Commuter Car Park on Webb Street will feature:

- A new multi-storey commuter car park with up to 140 parking spaces
- Entry and exit to the car park from Webb Street
- Additional accessible parking spaces
- Provision for future electric vehicle charging spaces
- Transport Park&Ride infrastructure (Opal operated boom gates)
- CCTV, lighting and wayfinding signs for improved safety and security
- Landscaping

Upcoming construction work

Construction on the Riverwood Commuter Car Park is progressing well. From November 2022 to January 2023, construction activities include:

- Waterproofing and backfill of lift pit
- Mobile crane establishment
- Concreting, including lift shaft, suspended slabs, retaining walls, and columns
- Installation of scaffolding
- Installation of external façade
- Services installation
- Relocation of existing overhead power pole along Webb Street.

The equipment used during the work will include vacuum trucks, excavators, surveying equipment, mobile cranes, concrete pumps, concrete agitators, elevated work platforms and hand tools.

Our work Schedule

We will be on site from **Monday to Friday** between **7am and 6pm** and between **8am and 1pm** on **Saturdays**.

We will contact you to advise of any work required outside of these hours.

How will our work affect you?

Our work may be noisy at times and we have put measures in place to reduce the impact of this noise, including turning equipment off when not in use and using non-tonal reversing beepers for trucks used onsite.

Artist's impression

Evening work

At times throughout November and December, there may be instances where concrete pours may run late, and workers will be required to be on site from **6pm to 8pm, Monday to Friday.**

Non-powered hand tools for concrete finishing work will be in use.

Keeping you up to date

We will keep you informed about the project through notifications to our customers, residents, and businesses.
