

August 2022

Sutherland to Cronulla Active Transport Link (SCATL)

Survey and investigation work at the Kingsway and Willarong Road, Caringbah for one night on Thursday 11 August 2022

Transport for NSW will be conducting survey and investigation work at the intersection of the Kingsway and Willarong Road, Caringbah. This work is necessary to inform the detailed design for Stage 2 of the project.

This work will include:

- Visually assessing the area
- Identifying areas for treatment and upgrades
- Setting up traffic controls for temporary lane closures

Location of investigation work at the Kingsway and Willarong Road, Caringbah

Our work schedule

We will be on site for one night on Thursday 11 August 2022. This will involve one night shift and no work during the day, weather permitting.

Our night work hours will be from 8pm to 5am starting on the night of Thursday 11 August and finishing on Friday 12 August.

How will this affect you?

This work will not be noisy however some traffic controls will be in place for temporary lane closures to allow the project team to assess the road.

Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Only one portion of a lane will be closed at a time allowing traffic to move through the other available lanes. Lane closures will not be for longer than 1 hour per location.

Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Thank you for your patience during this important work.
