

Transport Access Program | November 2022

Stanmore Station Upgrade

The Transport Access Program will deliver a better experience for Stanmore Station customers. The upgraded station will be more accessible for people with a disability or limited mobility, parents and carers with prams and customers with luggage.

Construction on the Stanmore Station upgrade will continue through November with the upgrade of the toilets, temporary removal of car spaces and the delivery of materials and equipment.

Our work schedule

Standard work hours are between **7am and 6pm Monday to Friday and 8am to 1pm on Saturdays**. For the safety of commuters the community and our workers some work will be conducted outside standard construction hours.

Upcoming work in November

Our work activities will include:

- delivery and removal of plant, materials and equipment at the temporary site compounds and the station work areas
- upgrades to station buildings and amenities
- current male toilet will become temporarily unisex to allow the first stage of works being done at the existing female toilet
- surveying of land and ongoing monitoring of ground conditions
- on going lift shaft piling works, excavation works and drainage installation on Platforms 1/2 and 3

Out of hours work

We will be working **Monday 7 November and Tuesday 8 November 2022 between 6pm and 5 am**. These works are required to be carried out during Sydney Trains scheduled track work periods. Our activities include:

- delivery of materials and equipment on Platform 1 and 2
- clean up and clearing on the platforms
- installation of long term barriers on Trafalgar Street
- traffic control will be in place as required

The equipment used will include delivery trucks, hi rail flatbed trucks, elevated work platforms, hand tools, piling rig, excavators, augers, concrete trucks and concrete pumps. Works are expected to generate intermittent periods of high noise.

Kerbside changes

- from **7 November 2022** there will be a partial lane adjustment and the temporary removal of five kerbside parking spaces along Trafalgar Street for duration of the Project.

Map of work areas

Upcoming Out of Hours work for December

We will be working continuously from **2am Saturday 10 December to 2am Monday 12 December** during a Sydney Trains track work period. We will be:

- concreting on Platform 2
- extending the staircase on Platform 1 and 2
- replacing the electrical board on Platform 1 and 2
- delivering and removing materials on Platform 1 and 2
- installing storm water drainage on all platforms

What to expect?

We understand the work may be noisy at times. We will do everything to minimise noise and lessen any disturbance, including:

- turning off vehicles when not in use and using non-tonal reversing beepers
- installing safety hoarding around work areas
- monitoring noise levels
- truck parking and truck movements on Douglas Street and Trafalgar street.

For your safety, please follow the direction of traffic control and signage.

We thank you for your patience and we apologise for any inconvenience caused during this important work.
