

Wollstonecraft Station Upgrade

February 2022

Turf being laid as part of new landscaping on Platform 2 at Wollstonecraft Station – January 2022

Transport for NSW is upgrading Wollstonecraft Station as part of the Transport Access Program (TAP) to make it easier for everyone to access, including people with a disability or limited mobility, parents/carers with prams, and customers with luggage.

Upcoming work in February

Work at Wollstonecraft Station will continue in February and will include:

- landscaping
- minor touch up work
- downpipe and roofing installation
- wayfinding signage installation
- handrail and fencing modification.

To complete this work, construction staff will require the use of equipment including powered hand tools.

Construction hours

Standard construction hours are **7am to 6pm Monday to Friday** and **8am to 1pm on Saturdays**.
