

# Doonside Station Upgrade

## March Community Notification

The NSW Government is improving accessibility at Doonside Station as part of the Transport Access Program, a NSW Government initiative to provide a better experience for public transport customers by delivering accessible, modern, secure and integrated transport infrastructure across the state.

### Upcoming work

Throughout March, ongoing work at the station will include:

- Services investigations and relocations
- Excavating for lift foundations
- Installing the concrete foundations for lifts adjacent to the station footbridge
- Demolition of existing stairs and installing temporary stairs on Platform 3-4
- Installing new temporary stairs on Platform 3 & 4
- Tree trimming and vegetation removal. Landscaping, which will include planting of trees, shrubs and other vegetation will be provided to replace trees removed, as part of the project.
- Installing temporary fencing adjacent to the Cross Street side of the station
- Removing materials from the Rosenthal Street and Doonside Crescent rail access gates.

### Out of hours work

Scheduling work outside of standard construction hours allows our team to complete essential activities safely.

We understand that this work may be noisy at times. We will do everything to lessen the disturbance including turning off vehicles and equipment when not in use and using non-tonal reversing beepers.

From **Monday 21 to Friday 25 March**, we will be working at Doonside Station overnight when trains are not in service.

All work is dependent on weather and site conditions and is subject to change. The table below shows the work we will be doing and when. We will let residents living close by know if any of this work changes.

When we will be working	What we will be doing
From 6pm Monday 21 March to 7am Tuesday 22 March	<ul style="list-style-type: none"> <li>• Removal of timber hoarding on platforms</li> <li>• Delivery of plant and equipment</li> <li>• Building the lift foundations adjacent to Eastwood Lane rail access gate</li> </ul>
Tuesday 22 March	<b>No overnight work tonight</b>

From 6pm Wednesday 23 March to 7am Thursday 24 March	<ul style="list-style-type: none"> <li>Concrete pour to Platform 3-4 with concrete truck parked on Eastwood Lane</li> <li>Clean up and pack away</li> <li>Removal of plant and equipment</li> </ul>
From 6pm Thursday 24 March to 7am Friday 25 March	Extra night if needed to complete the above work.

## Where will the work take place?

The map below shows the location of the concrete pump on School Parade and the footpath closure, and installation of temporary fencing between Coghlan Crescent and Doonside Crescent. During the night works, plant and equipment will access the rail corridor via School Parade and Coghlan Crescent rail access gates.
