Final touches – 30 April and 1 May 2022

Some minor work will be completed on the weekend of Saturday 30 April and Sunday 1 May 2022, between 6am and 6pm. This work will be carried out during a scheduled Sydney Trains track work weekend, when the station is closed and no trains are running.

There may be some noise associated with this work and measures will be implemented to reduce impacts wherever possible, such as turning off vehicles when not in use, positioning construction equipment as far away from residential areas as possible, using non-tonal reversing beepers, and monitoring noise levels.

Please visit transportnsw.info or call **131 500** for information about replacement buses during this time.
