

Glossop Street, St Marys

Night works continuing from Sunday 6 February 2022

Transport for NSW (TfNSW) is widening the northbound carriageway on Glossop Street from two lanes to three, between Phillip Street and Hobart Street in St Marys. This work will provide a dedicated left turn slip lane to improve access into the rail corridor for maintenance and construction vehicles, and to facilitate construction of the Sydney Metro – Western Sydney Airport.

What happens next

Works will continue and include:

- upgrading the footpath and road
- installing stormwater pit in Hobart Street
- constructing a kerb between Phillip Street and Hobart Street
- line marking and signage
- landscaping
- installing a rail access driveway

Night works are planned to take place at this site between **Sunday 6 February** and **Thursday 10 March 2022**, weather permitting.

Equipment used for this work includes but is not limited to: a 3 tonne tipper truck, road surface milling machine, rollers, bob-cat, pressure-washer (water blasting), and a bogie truck.

What to expect

There will be temporary traffic changes during our work hours to ensure the work zone is safe. This may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions.

- Our work will generate some noise and our team will minimise impacts, where possible, including completing noisier activities by 12 midnight.
- We will maintain access to driveways and buildings at all times.
- There will be an increase of light and construction vehicles near the work sites.
- There will be minor traffic disruptions and traffic control measures will be in place.

For traffic updates you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Our work schedule

Our standard work hours will be **Monday to Sunday from 7am to 6pm**. On weekends, high noise activities will only take place on **Saturdays between 8am and 1pm**.

Our night work hours will be **Sunday to Thursday nights from 8pm to 5am**. Night works will not take place on Friday or Saturday nights.

These works will be undertaken in accordance with Public Health Orders and a COVIDSafe plan is in place. Please note that weather and site conditions may impact our planned dates of work and require some scheduling flexibility or additional days' work. We will continue to keep the community informed of construction plans and provide a project update in March 2022.
