

Sutherland to Cronulla Active Transport Link (SCATL) Investigation work continuing from Monday 10 January to Thursday 31 March 2022

Transport for NSW will be continuing the geotechnical and utilities investigation which began in October, in preparation for the next stage of works to improve active transport links between local businesses, precincts and services. This will include investigation work on alternative route locations along Bath Road and Avery Avenue.

Investigation work will include:

- Electronically locating and surveying utilities and borehole locations
- Drilling into the ground for soil sampling
- Non-destructive drilling to investigate utility locations
- Reinstating the disturbed areas

Our work schedule

We will be on site for up to **15 day shifts** and **5 night shifts** between **Monday 10 January 2021 and Thursday 31 March 2022**, weather permitting.

Our day work hours will be between **7am to 6pm** from **Monday to Friday** and **8am to 5pm** on **Saturday**. Our night work hours will be between **8pm to 5am** from **Sunday to Friday**.

We will not work for more than two shifts in one location. We will not work on public holidays

How will the work affect you?

This work may be noisy at times but we will do everything we can to lessen the disturbance, including completing the noisier activities, like drilling and operating heavy machinery **before 11pm**.

No bus routes or timetables will be affected by this investigation work.

Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Thank you for your patience during this important work.
