

Policy – Maritime Property – Disposal of Property

1. Policy statement

Roads and Maritime Services Maritime Property identified as no longer forming part of the NSW Government's strategic, operational, or financial objectives will be evaluated against NSW Government objectives for disposal. However, consideration will also be given to subdivision or combination with adjoining properties including properties with related uses controlled by other Government Agencies.

2. Scope and coverage

This Policy applies to:

- any disposal of Roads and Maritime Services Maritime Property whether to other government agencies or to private purchasers
- all Roads and Maritime Services staff, contractors, skill hire and consultants engaged by Roads and Maritime Services.

3. Purpose and intended outcomes

The purpose of this policy is to provide direction to Roads and Maritime Services personnel involved in the disposal of Maritime Property and the approach to assessing proposed disposals.

Adherence to this policy will ensure that disposal of Maritime Property is conducted to meet Roads and Maritime Services, Government and community requirements.
