

Commuter Car Park Program

North Rocks

Transport for NSW | April 2022

Transport for NSW is delivering approximately 135 additional commuter car parking spaces on the corner of Barclay Road and Perry Street to provide the community of North Rocks with more convenient access to public transport and reduce congestion on our roads.

The car park is expected to be completed and open to the community by mid-2022.

What's planned

The North Rocks Commuter Car Park on Perry Street will feature:

- a new at-grade commuter car park with approximately 135 parking spaces
- accessible parking spaces
- dedicated pathways connecting to the existing footpath on the corner of Barclay Road and Perry Street
- Transport Park&Ride infrastructure (Opal operated boom gates)
- lighting and wayfinding signage for improved safety
- provision for future electric vehicle charging spaces
- landscaping within the car park and fencing.

What is happening?

In April, work will continue for the new commuter car park in North Rocks.

Construction activities will include:

- excavation and trenching work
- construction of retaining walls
- formwork, steel and concrete placement for new stormwater pits
- installation of stormwater pipes and pits
- formwork, steel and concrete placement for new entry and exit layback and driveway
- electrical conduit installations.

Equipment used during the work will include vacuum trucks, excavators, rollers, surveying equipment, a concrete pump, concrete saw, concrete trucks, construction vehicles, compaction tools, delivery and removal trucks and hand tools.

How will the work affect you?

We understand that this work may be noisy at times. We will do everything we can to lessen the impact including turning off vehicles and equipment when not in use and using non-tonal reversing beepers.
