

Transport Access Program

Point Clare Station Upgrade

Project update - April 2022

Upcoming work

The Point Clare Station Upgrade continues to progress with lift foundation concrete work being carried out during March. Work will continue in April and includes:

- continued concrete and excavation work for the lift on the Brisbane Water Drive side of the station
- commencing construction of the station services building on the Brisbane Water Drive side of the station
- continued excavation and trenching work including realignment of power poles on the Kurrawa Avenue side of the station
- continued piling work for the new lift on the Kurrawa Avenue side of the station
- continued concrete and excavation work for the lift well foundation on the Kurrawa Avenue side of the station
- installing a temporary toilet for customers in the Brisbane Water Drive Commuter Car Park.

Equipment to be used includes a piling rig, excavators, cranes, concrete trucks and pumps, delivery trucks, power tools and hand tools.

Station toilet closed – temporary toilet available

The existing toilet in the station building will be temporarily closed from **mid-April 2022 until August 2022** while it is upgraded to a family accessible toilet. Temporary toilets will be available for use from **mid-April 2022** at the station end of the car park from Brisbane Water Drive.

The temporary toilet will be available during station opening hours.

Signage will be in place to help with these temporary changes.

Construction hours

Standard construction hours are 7am to 6pm every day, including public holidays. These hours are in place to facilitate social distancing on construction sites and support the health and wellbeing of workers.

We will notify nearby residents and businesses in advance if we need to work outside these times.
