

Transport Access Program

Point Clare Station Upgrade

Project update

February 2022

Upcoming work

The Point Clare Station Upgrade is underway with lift foundation concrete work being carried out during December and January. Work will continue in February and includes:

- continued excavation and trenching work on the Kurrawa Avenue side of the station
- commencing realignment of power poles on the Kurrawa Avenue side of the station
- commencing piling work for the new lift on the Kurrawa Avenue side of the station.

Equipment to be used includes a piling rig, excavators, cranes, concrete trucks and pumps, delivery trucks, power tools and hand tools.

Construction hours

Standard construction hours now are 7am to 6pm every day, including public holidays.

These changes have been made to facilitate social distancing on construction sites and support the health and wellbeing of workers. We will notify nearby residents and businesses in advance if we need to work outside these times.

For more information call **1800 684 490**,

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Temporary traffic, access and parking changes

Throughout our work to upgrade the station, there may be occasional temporary traffic and access changes surrounding Point Clare Station on Brisbane Water Drive or Kurrawa Avenue. These changes may include single lane road closures and/or temporary parking removal to accommodate large vehicles carrying out construction work.

Traffic control and signage will be in place to help pedestrians and motorists with all temporary changes. We will notify nearby residents and businesses in advance of changes to station access.
