

Transport Access Program

Point Clare Station Upgrade

Project update

March 2022

Upcoming work

The Point Clare Station Upgrade continues to progress with lift foundation concrete work being carried out during February. Work will continue in March and includes:

- continued concrete and excavation work for the lift on the Brisbane Waters Drive side of the station
- commencing construction of a station services building on the Brisbane Waters Drive side of the station
- continued excavation and trenching work and commencing realignment of power poles on the Kurrawa Avenue side of the station
- commencing piling work for the new lift on the Kurrawa Avenue side of the station
- commencing concrete and excavation work for the lift well foundation on the Kurrawa Avenue side of the station
- installing a temporary toilet for customers in the Brisbane Waters Drive Commuter Car Park.

Equipment to be used includes a piling rig, excavators, cranes, concrete trucks and pumps, delivery trucks, power tools and hand tools.

Weekend work – 12 to 13 March 2022

Construction work activities will take place continuously from **6pm Friday 11 March until 6am Monday 14 March 2022** during a scheduled Sydney Trains trackwork weekend, when no trains will be running. The pedestrian underpass, Brisbane Waters Drive forecourt and Commuter Car Park will all be closed from **6am Saturday 12 March until 6pm Sunday 13 March**.

Work will include demolition, drilling, piling, concrete and relocation of electrical services around the station precinct. Equipment to be used includes mobile cranes, excavators, elevated working platforms, piling rigs, surveying equipment, delivery and concrete trucks, concrete pumps, construction trucks, power and hand tools.

We will take measures to reduce noise, including using non-tonal reversing alarms, turning machinery off when not in use and monitoring noise levels.

Please visit transportnsw.info or call **131 500** for information about replacement buses during this time.

Temporary traffic and parking changes

During the weekend work from Saturday 12 March until Sunday 13 March, **the pedestrian underpass and Brisbane Waters Drive forecourt and Commuter Car Park will be closed**. A free shuttle bus will provide pedestrian access between the Brisbane Waters Drive and Kurrawa Avenue sides of the station.

Traffic control and signage will be in place to help pedestrians and motorists with all temporary changes.

Construction hours

Standard construction hours now are 7am to 6pm every day, including public holidays. These changes have been made to facilitate social distancing on construction sites and support the health and wellbeing of workers. We will notify nearby residents and businesses in advance if we need to work outside these times.

Keep in touch
