

Transport Access Program

Point Clare Station Upgrade – Project Update May 2022

Piling work for the platform extension on the Kurrawa Avenue side of Point Clare Station, April 2022

Upcoming work

The Point Clare Station Upgrade continues to progress with lift construction being carried out during April. Work will continue in May and includes:

- continued construction of the lift one shaft on Brisbane Water Drive side of the station
- continued construction of the lift two foundations on Kurrawa Avenue side of the station
- installation of power poles on the Kurrawa Avenue side of the station
- construction of the station services building on the Brisbane Water Drive side of the station
- commence lift roof installation using a crane on Brisbane Water Drive.

Equipment to be used includes a piling rig, excavators, cranes, concrete trucks and pumps, delivery trucks, power tools and hand tools.

Night work

There will be night work from **1am to 5am on Tuesday 3 May**, weather permitting, to undertake a temporary power outage at the station, while no trains are running. This work involves the use of hand tools and temporary lighting only and is not expected to be noisy.

Ausgrid is carrying out this work and recently sent out a notification and SMS text message advising of temporary interruption to power and NBN to selected homes nearby. If you have any questions about the outage, please **contact Ausgrid on 13 13 88 or visit www.ausgrid.com.au**.

Weekend work

There will be weekend work occurring continuously from **8pm on Friday 13 May until 11pm on Sunday 15 May**, weather permitting, to remove and relocate power poles along Kurrawa Avenue nearby the station. This work involves the use of delivery trucks, crane truck, elevated working platforms and truck mounted auger, temporary lighting, power and hand tools.

There will be some construction noise associated with this work. We apologise for the inconvenience. Breaks will be used to provide respite during noisy work.

Station toilet closed – temporary toilet available

The existing toilet in the station building will be temporary closed from **Tuesday 10 May 2022 until August 2022** while it is getting upgraded to a family access toilet. Temporary toilets will be available for use from **Tuesday 10 May 2022** during station opening hours at the station end of the car park from Brisbane Water Drive. Signage is in place to help with these temporary changes.

Construction hours

Standard construction hours are from **7am to 6pm Monday to Friday and 8am to 1pm Saturdays**, excluding public holidays.

We will notify nearby residents and businesses in advance if we need to work outside these times.
