

Riverwood Commuter Car Park

Investigation work from January 24

Investigation area on Webb Street

Transport for NSW is delivering approximately 140 additional commuter parking spaces at Riverwood to provide the community with more convenient access to public transport and reduce congestion on our roads. The car park is expected to be open to commuters in mid-2023.

To support the next stage of the project site investigation work will take place between **Monday 24 and Friday 28 January 2022**.

The investigation work will include services searches and utility scanning, geotechnical investigations and non-destructive drilling.

Some parking spaces in the Webb Street car park will be closed to provide a safe working area. Signage will be in place to advise of the changes. The work will be completed in stages to minimise impacts to parking.

Our work schedule

We will be on site from **Monday 24 to Friday 28 January 2022** between **7am to 6pm**, weather permitting.

If any additional work is required outside of these hours, the community will be notified in advance.
