

Transport for NSW Traffic Alert

ELECTORATE(s): Mudgee
WORK DATES: Tuesday 9 January – May 2024
FUNDING: \$3,000
COLLATERAL:

December 2023

Changed traffic conditions on the Castlereagh Highway between Mudgee and Gulgong

Motorists are advised of changed traffic conditions on the Castlereagh Highway between Mudgee and Gulgong from Tuesday 9 January 2024 for road maintenance.

Mid-Western Council will be carrying out the work which will include road base placement and compaction, resurfacing using a bitumen spray seal and line marking.

Work will be carried out between 6am and 6pm from Monday to Friday and some weekends. No work will take place on public holidays. The work is expected to take four months to complete, weather permitting.

Single lane closures, intermittent stopping and reduced speed limit of 40km/h will be in place during the work hours, which may affect travel times. Outside of work hours, the speed limit will return to the signed speed limit of 60km/h and 80km/h.

Motorists are advised to drive to the conditions, obey signs and traffic control and allow up to five minutes of extra travel time during this work.

Transport for NSW thanks motorists for their patience while this important improvement work is carried out.

For the latest traffic information, visit www.livetraffic.com, download the Live Traffic app or call the Transport Management Centre on 132 701.
