

Restoration work continues, Oxley Highway, Mount Seaview

APRIL 2023

The NSW Government is funding essential reconstruction work on the Oxley Highway at Mount Seaview to reinstate full access through natural disaster affected areas.

We are continuing major restoration work on the Oxley Highway at Mount Seaview to return the road to pre-2021 flood condition between Knodingbul and Forbes River roads.

Work recently completed

Work at Slip 2, Slip 8, Gabion Corner and Dewers Slip (stage 1) is now complete. This involved site stabilisation, installing drainage and new safety barriers, replacing culverts and restoring the road pavement.

Slip 2 A, B, C and Gabion Corner complete

Slip 8 complete

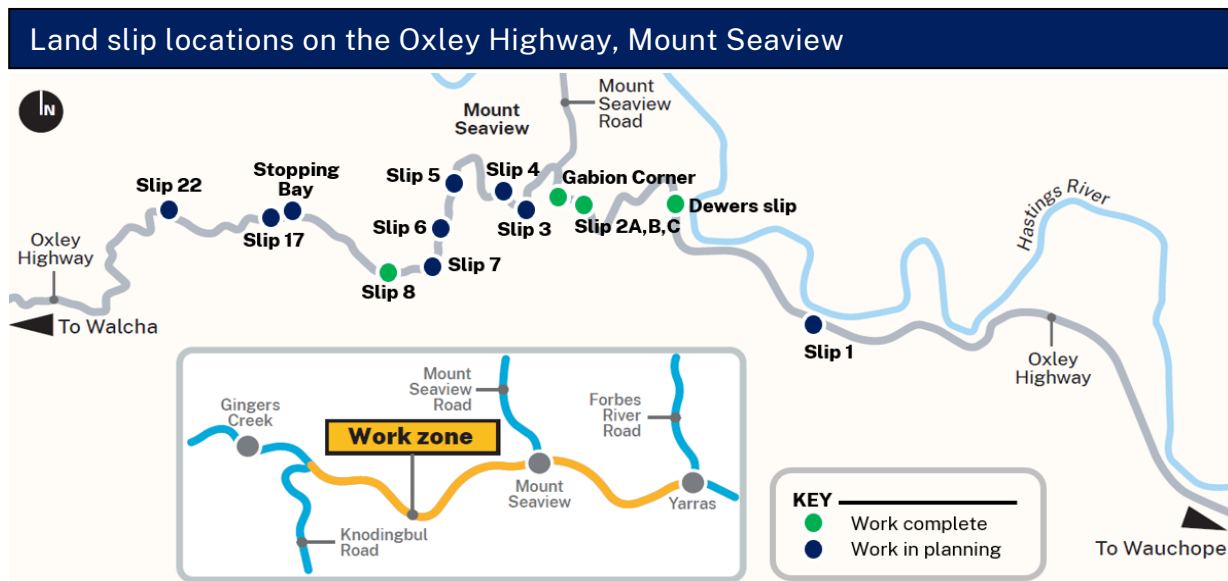

Dewers slip complete

Current and future work activities

In April, we began replacing culverts between Mount Seaview and Gingers Creek. Concrete culverts deteriorate over time leaking water into the road embankment, increasing the risk of landslips. Replacing existing concrete culverts with more durable high density polyethylene pipes reduces the risk of future landslips making the Oxley Highway more resilient.

Date	Slip site	Traffic impacts
June 2023	5 & 6	Single lane closure with traffic signals.
August 2023	4	Road closures during work hours. Where possible, closures will be scheduled to minimise impacts to the community.
October 2023	22	

Full details about all road closures will be provided closer to work starting.

Work hours

Our work hours are from 7am to 5pm, Monday to Saturday. No work is planned to be carried out on Sundays or public holidays.

Traffic changes

Single lane, alternating traffic flow arrangements and reduced speed limits remain in place. Short stoppages of up to 15 minutes may be required during work hours.

Motorists should plan their journeys and allow extra travel time.

To improve safety for all road users, monitoring is being undertaken at traffic signal locations to ensure motorists are complying with the signals as required.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

We thank you for your patience and cooperation during this important work.

Contact

If you have any questions, please contact us at 1800 653 092 or email region.north@transport.nsw.gov.au.

You can also register to receive SMS updates for upcoming road closures by visiting nswroads.work/oxleyrecovery.

We apologise for any inconvenience and thank you for your patience during this important work.
