

Lane Cove Road and Waterloo Road Intersection, Macquarie Park

The intersection of Lane Cove Road and Waterloo Road at Macquarie Park is being upgraded.

June 2023

Australian Government

Transport for NSW acknowledges the Wallumattagal people of the Dharug Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

What work are we doing?

This upgrade will accommodate the area's rapid growth as a residential, commercial, and shopping district.

The improvements aim to enhance bus services, alleviate congestion, and optimize traffic flow and safety for all road users.

This long-term project aims to ensure the reliability and efficiency of transportation while supporting future development of the area.

Project update

In our recent community notification about the Lane Cove Road and Waterloo Road intersection upgrade, we informed you of nightworks until late September 2023.

To minimise disruption to traffic during peak hours, and to meet our target dates, we'll be working over an extended weekend shift to install new water pipes under Waterloo Road.

Weekend work schedule

Work will start **8pm Friday 7 July to 5am Monday 10 July 2023**, weather permitting.

Should this work not occur due to unforeseen circumstances like wet weather, the work will be rescheduled and will occur from **8pm Friday 14 July to 5am Monday 17 July 2023**.

Where will the work be?

Work will be along Waterloo Road, between Harvest Street and Lane Cove Road.

Please refer to map overleaf for work locations.

What are the weekend work effects?

Two eastbound lanes on **Waterloo Road, between Harvest Street and Lane Cove Road will be closed.**

Work will include saw cutting and jack hammering in the roadway to install the new water pipes.

We'll temporarily restore disturbed areas to allow for continued use. The road will be permanently restored at completion of all works.

The exit driveway to 35-41 Waterloo Road will be closed during the work. Vehicles will be directed through the entry driveway to leave the property.

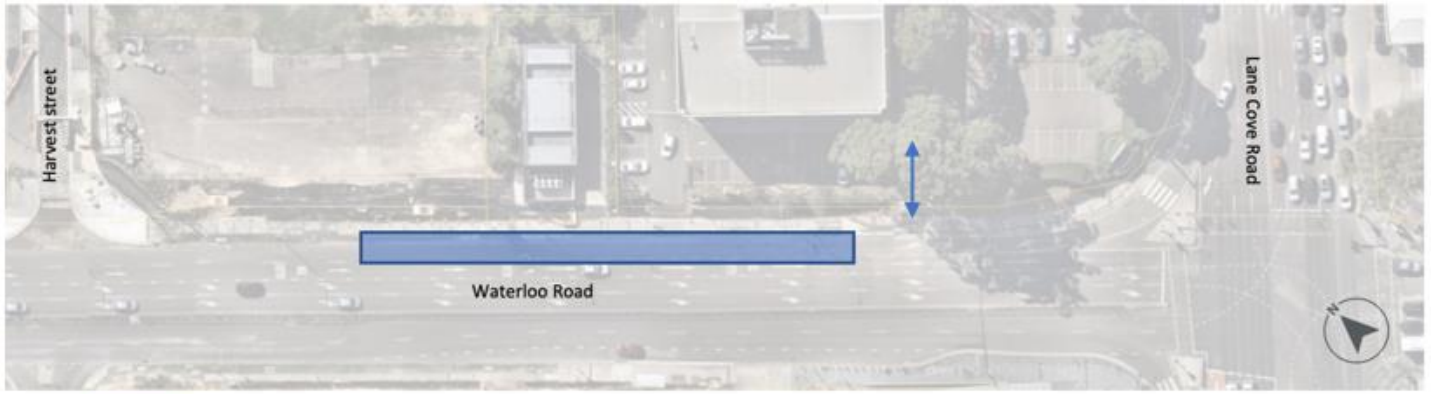

Traffic controllers and signage will be in place to help guide pedestrians and motorists through the work areas.

Please keep to speed limits and follow the direction of traffic controllers and signs.

Travel times may be affected, so we thank you in advance for your patience during this essential work.

Location of works

KEY  Workzone  Entry driveway for No35-41 to remain open

Work continues on the Lane Cove Road and Waterloo Road Intersection
