

Further investigation work on Mamre Road from Monday 14 August

Erskine Park Road, Erskine Park and Kerrs Road, Kemps Creek

August 2023

Transport for NSW acknowledges the Dharug people of the Tharawal Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is planning the upgrade of Mamre Road between the Erskine Park Road, Erskine Park and Kerrs Road, Kemps Creek to reduce congestion and improve safety and travel times.

What work are we doing?

This month we will complete our detailed survey work which forms part of the investigation work along Mamre Road. We will also start work to identify potential archaeological sites within the project corridor, which will include carrying out a site walk.

When and where we'll be working

Investigations will take place along Mamre Road between Erskine Park Road and Kerrs Road.

We will be on site for up to 12 day shifts between **Monday 14 August** and **Friday 29 September**,

from **7am to 6pm, Monday to Friday**, weather permitting.

What will this mean for you?

Traffic conditions will not be changed during our work; however, you may notice:

- Personnel on foot
- Site vehicles and equipment
- Signage.

Please be mindful of our workers on foot as you travel along Mamre Road.

Managing our impacts

There will be no noisy work associated with this activity. As we walk through the project corridor, we will do our best to minimise disruption including reducing loud conversations between personnel near residential properties.

Transport thanks the community for their patience while we complete this important work.
