

Mona Vale Road East Upgrade

Construction Update | April 2023

Manor Road to Foley Street

Further to our January Construction Update work is progressing well on the project, In addition to the work happening during standard construction hours, we will be working at night on Mona Vale Road between Manor Road and Foley Street from **8pm to 6am Monday 3 April to Friday 28 April 2023**, weather permitting.

Please note, in line with our environmental license, **we will not work more than two consecutive nights and no more than three nights each week.**

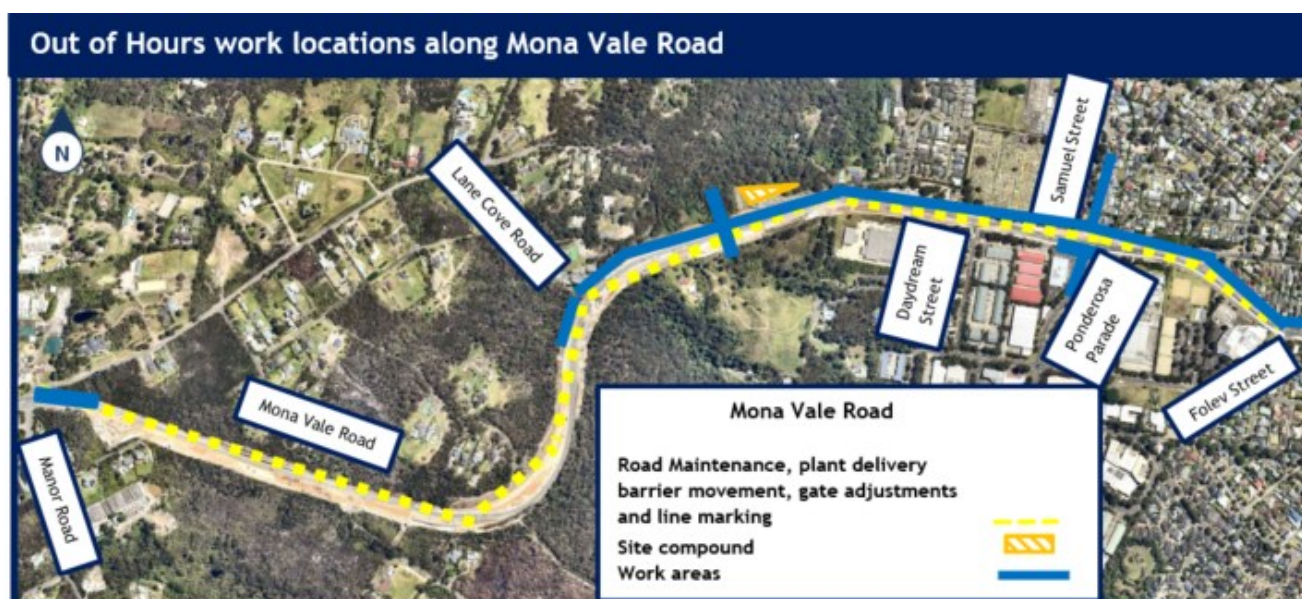

Our work will include:

- road maintenance, gate adjustments, barrier movements, line marking, and plant delivery/pick up along the project alignment
- full closure of Mona Vale Road for one night in late April for the lifting of the bridge girders for the fauna overpass. Further details will be distributed to the community in advance of this closure
- lane closures on Mona Vale Road for construction of fauna overpass (deck pour and fauna fence installation)
- removal of existing power poles in the middle of Mona Vale Road

- installation of underground utilities and stormwater drainage on Ponderosa Parade/Samuel Street/Mona Vale Road
- asphalt, kerbing, services, and median works between Daydream Street and east of Foley Street
- traffic realignment, drainage, and kerb work on Mona Vale Road near Manor Road
- construction of the intersection at Ponderosa Parade, Samuel Street and Mona Vale Road
- removal of old sewer between Daydream and Emma Street
- overhead power installation on Mona Vale Road
- asphalt work in Samuel Street.

How will our work affect you?

During this night work, machinery and equipment used may include tipper trucks, large trucks, backhoes, elevated work platforms, light vehicles, lighting towers, saw cutting machines, franna, line markers, excavators, and paving machines. This work will be noisy.

Transport for NSW

We will direct any lighting away from residential properties and turn off machinery when not in use.

The project team will contact directly impacted residents eligible for respite in advance of the works.

If our work is delayed, we will notify you in advance of the new dates.

Traffic changes

To minimise traffic disruptions and reduce safety risks to the workers and motorists, we need to carry out our work at night.

There will be a night-time closure on Mona Vale Road in late April during the lifting of the girders (a separate notification will be distributed closer to the date).

There will be temporary traffic changes to ensure the work zone is safe for workers and road users.

This work will be weather dependent and if it does not occur on these nights, we will look to undertake the work the following week.

Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, call **132 701**, visit livetraffic.com or download the **Live Traffic NSW App**.

Mona Vale Road West

We will be working at the Western Early Work site located off Tumburra Street, Ingleside over the next few months.

Drone

A drone will be used each month to take progress photos and assist with survey work within the project area.
