

More Trains More Services

Arncliffe Station Canopy Extension

Project update

August 2020

As part of the More Trains More Services Program, planning is underway to extend the platform canopy at Arncliffe Station.

The extended canopy will increase weather protection and encourage customers to use the full length of the platform, reducing crowding at busy times.

Project features

Key features of the proposal include:

- extending the canopy to cover almost the entire length of Platform 3 and 4
- additional CCTV, lighting and emergency help points for improved safety and security
- more customer seating along the platform
- additional digital information boards and PA system to keep customers informed about departing train services in real time.

Email projects@transport.nsw.gov.au or visit www.transport.nsw.gov.au/projects/more-trains-more-services

For urgent enquiries or complaints regarding construction activities, please call 24 hours **1800 775 465**

Project status

Planning is underway for the canopy extension project with investigation work occurring in July and August 2020. Investigation work will help to inform the design of the extended canopy over the coming months, ensuring that it complements the heritage architecture of the station.

Subject to planning approval, construction is expected to begin in early-2021 and is expected to be complete in late-2021.

Upcoming work

Early work is scheduled between **6am and 6pm** on **Saturday 15 and Sunday 16 August** during the Sydney Trains track work weekend. Activities include:

- Geotechnical investigations, including platform bore hole drilling
- Services searches

As the work will take place during the Sydney Trains track work weekend, the station will be closed and no trains will be running. Please visit **transportnsw.info** or call **131 500** to find out more about alternative transport options and plan your trip.

Keeping you up to date

We will continue to keep the community informed with regular project updates. More information is available on our website www.transport.nsw.gov.au/more-trains-more-services If you have any questions about the project, please contact us on **1800 684 490** or email projects@transport.nsw.gov.au.

For all urgent enquiries or complaints regarding construction activities, please call our **24-hour Construction Response Line** on **1800 775 465**.

About the More Trains, More Services Program

Over the next 10 years, the More Trains, More Services program will simplify and modernise the rail network, creating turn up and go services for customers. The next stage of work will deliver improvements to the T4 Illawarra, T8 Airport and South Coast lines.
