

Beverly Hills Commuter Car Park

Commuter Car Park Program

May 2023

Australian Government

Transport for NSW acknowledges the Bidjigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The existing car park at Beverly Hills is now closed and site establishment works for the construction of the Beverly Hills Commuter Car Park are underway. Throughout May, site establishment activities will continue, along with utility work within the site.

What work are we doing?

- Ongoing site establishment activities, including installation of site facilities, fencing and shade cloth around the site
- Establishing environmental controls around the site, including erosion control and tree protection
- Removal of existing light poles
- Vegetation trimming and removal (if required)
- Utility and ground activities.

When and where we'll be working

Working hours are **7am to 6pm, Monday to Friday and 7am to 1pm, Saturday.**

We are working in and around the existing car park at 2-2a Edgbaston Road, as shown on the map over the page.

What will this mean for you?

The car park at Edgbaston Road will be closed until the commuter car park is opened in late-2024.

You may notice an increase in signage, worker and vehicle movements and noise from machinery and equipment in the area.

Managing our impacts

We aim to manage our work to avoid impacts to the community and the environment. This site compound is designed to minimise impact.

This includes:

- Fencing for safety and security
- Reducing our noise as much as possible
- Targeted lighting to minimise light spill
- Protecting trees with no-go areas.
