## Commuter Car Park Program

April 2023

Australian Government

Transport for NSW acknowledges the Bidjigal people of the Eora Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

From Wednesday 26 April 2023, site establishment works for the construction of the Beverly Hills Commuter Car Park will begin. The first step will be the closure of the existing car park, followed by ongoing site establishment activities.

### What work are we doing?

- Closing the existing car park at 2-2a Edgbaston Road from Wednesday 26 April 2023
- Site establishment activities including installation of site facilities, fencing and shade cloth around the site
- Utility and ground investigations including potholing and backfilling.

### When and where we'll be working

Working hours are **7am to 6pm, Monday to Friday and 7am to 1pm, Saturday.**

We are working in and around the existing car park at 2-2a Edgbaston Road.

### What will this mean for you?

The car park at 2-2a Edgbaston Road will be closed until the commuter car park is opened in 2024.

You may notice an increase in signage, worker and vehicle movements and noise from machinery and equipment in the area.

### Managing our impacts

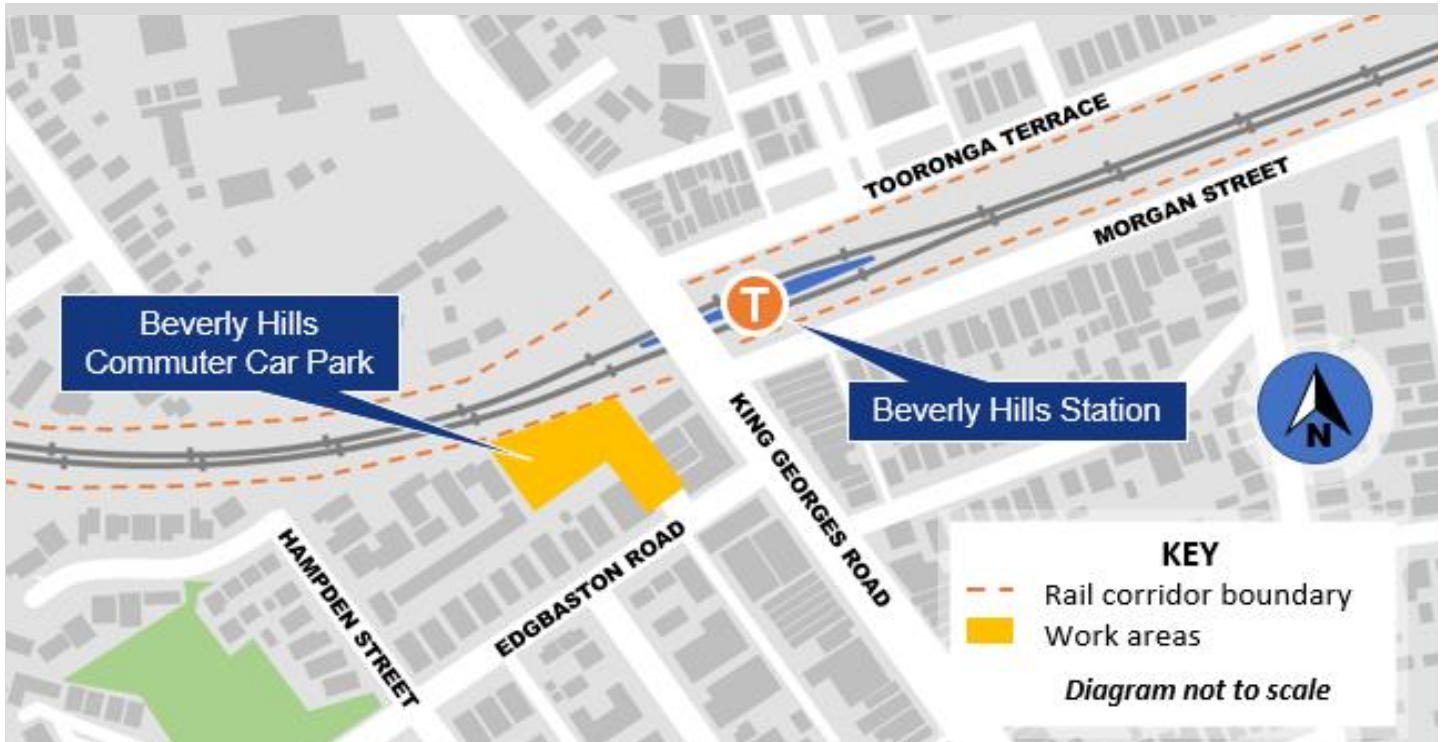

We aim to manage our work to avoid impacts to the community and the environment. This site compound is designed to minimise impact.

This includes:

- Fencing for safety and security
- Reducing our noise as much as possible
- Targeted lighting to minimise light spill
- Protecting trees with no-go areas.
