## Bondi Junction to Erskineville track maintenance

From Saturday 29 April to Monday 1 May 2023

### What we're doing

Sydney Trains will complete maintenance works between Bondi Junction and Erskineville from Saturday 29 April to Monday 1 May.

Sydney Trains construction and maintenance works include:

- Civil track maintenance
- Drainage maintenance at various locations
- Routine signal and electrical maintenance
- Station maintenance works, to improve safety on stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Trackside signage and maintenance work at various locations
- Vegetation maintenance, litter, and graffiti removal.

### How this affects you

#### Noise

- These works may create additional noise at night.
- **Work will take place around the clock from 2am Saturday 29 April until 2am Monday 1 May.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Final (finishing) works including the removal of equipment may take place beyond the dates stated above.

#### Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
