

Sydney Trains

Bondi Junction to Sydenham track maintenance

From Tuesday 4 April to Friday 5 May 2023

What we're doing

Sydney Trains will complete maintenance works between Bondi Junction and Sydenham from Tuesday 4 April to Friday 5 May.

Sydney Trains construction and maintenance works include:

- Track maintenance
- Routine signal and electrical maintenance
- Station maintenance works, to improve safety on stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track resurfacing and rail grinding activities
- Vegetation maintenance, litter, and graffiti removal.

How this affects you

Noise

- These works may create additional noise on weeknights.
- **Work will take place nightly during the following periods:**
 - Tuesday 4 April to Thursday 6 April between 1.15am and 4am
 - Tuesday 11 April to Thursday 13 April between 1.15am and 4am
 - Monday 17 April to Friday 21 April between 10.15pm and 4am
 - Tuesday 25 April to Thursday 27 April between 1.15am and 4am
 - Monday 1 May to Friday 5 May between 10.15pm and 4am.
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Final (finishing) works including the removal of equipment may take place beyond the dates stated above.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
